Article VII

Terminal Leave

Policy: The N.J. Department of the Treasury, Division of Pensions, has directed in connection with the payment of "Terminal Leave" at retirement that the manner and the items to be included in the payment of terminal leave are to be stated in a declared policy to assure that the policy is applied consistently to all employee-members of the State Retirement System.

Employees, who retire from service with the Town of Boonton, after 25 years of pensionable service, shall be entitled to receive a retirement contract which will include any provisions for terminal leave.

Terminal Leave shall be defined as that time between the date the employee stops reporting for work and the employee's effective date of retirement. Terminal leave involves using up of accumulated sick leave, vacation leave, and compensatory time prior to the effective date of retirement.

Procedure An employee who is contemplating retirement shall notify his/her immediate supervisor or the Department Head and the Town Administrator no less than three (3) months prior to the date of retirement. At such time, the employee shall be entitled to enter into a retirement contract with the Town that will include the following provisions for terminal leave:

- A. An employee can stop working for the Town (stop reporting for work) a length of time prior to his/her official retirement date during which time said employee will be using up any accumulated sick leave, vacation leave, and compensatory time.
- B. In return for being granted terminal leave, said employee shall reimburse the Town or give back the following:
 1. The number of hours equal to one third (1/3) of the total terminal leave being taken. These hours will be subtracted from the employee's total accumulated sick, vacation, and compensatory time, subtracting first from the accumulated vacation time, then from the accumulated compensatory time, and lastly from the accumulated sick leave.

Example A:

Employee has:	1600	Sick Hours accumulated
	160	Vacation hours accumulated
	<u>40</u>	<u>Compensatory hours accumulated</u>
	1,800	Total Accumulated Hours

Employee will be utilizing a total of 720 hours as terminal leave. Employee must therefore give back to the Town one third (1/3) of the total hours taken.

Example B:

$$720 \text{ hours} \times 1/3 = 240 \text{ Hours}$$

These 240 hours will be subtracted from the employee's total accumulated hours as follows:

240	"give back hours"
-160	Vacation Hours
<hr/>	
80	
-40	Compensatory Hours
<hr/>	
40	
-40	Sick Hours
<hr/>	
0	

Employees 720 terminal leave hours will then be subtracted or used from the remaining 1,560 accumulated sick hours, leaving 840 hours to be paid in accordance with contractual agreements in a lump sum payment. The time of said lump sum payment will be agreed upon between the employee and the Town.

- C. Any Police Officer hired after January 1st, 2000, will be permitted to use a maximum of only eight hundred ninety-six (896) hours of accumulated vacation, sick and compensatory hours towards terminal leave.
- D. Any Police Officer hired after January 1st, 2003, will be permitted to use a maximum of only eight hundred forty (840) hours of accumulated vacation, sick and compensatory hours towards terminal leave.
- E. Any Police Officer hired after January 1st, 2013, will be permitted to use a maximum of only seven hundred forty (740) hours of accumulated vacation, sick and compensatory hours toward terminal leave.
